## Director's Note

ADA is proud to present our 20th production, *The Sleeping Beauty*. It is hard to believe that 20 years have passed, but here we are. From a dancer's first plié to their last, ADA supports the goals of all our dancers. We are lucky to teach students who are so deeply diverse in why they chose to dance and no goal is too large or small. We have seen the struggles and the success as they work through technique each week. We teach musicality and we teach that the show must go on, despite when things seem hard. We are lucky to have a front row seat to many students for so long. We form bonds and relationships that stand the test of time. As you watch our show today, please know that sometimes the goal simply is to dance, and to dance freely, without judgement, critique or harshness of the outside. We as teachers will be celebrating your dancers' goals onstage this evening - no matter how big or how small. We will also be thinking of all the bonds, jokes, friendships that we have made this year, and reflecting on past years. And as a mom of a graduating senior this year, I can say that I understand now, that time really is fleeting.

*ENJOY THE MOMENT. ~Miss Ashley*

**Dance Families:** We would like to thank YOU! All our dance families for making the commitment to the art of dance.

**Stage and Props:** We could not get through the year and recital week without all the time and talents of our awesome volunteer team! From the backstage helpers, ticket scanners, to the dance dads who hang the backdrop, roll the floor, play the music and light the stage – forever grateful for your talents! Special thanks to Sarah Grasso for our banners, Sandy and George Burbank for the spinning wheel and Laura MacStravic for ALL the hemming! Especially for the fantastic Maleficent costume – no one else but you was making Kyt's senior costume!

**ImaJenAtion Photography:** Jen, thank you for the spectacular dance photos!
